Education page for tablet (portrait)

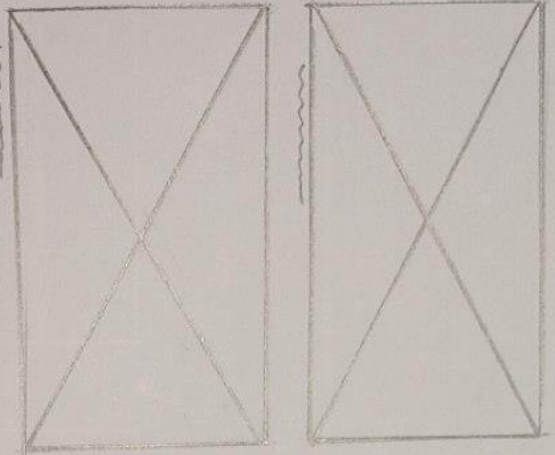

The layout is a hand-drawn sketch of an education page for a tablet in portrait orientation. It features a header bar at the top with a wavy line on the left and three horizontal lines on the right. Below the header is a large content area with four horizontal lines and a 5x3 grid of boxes. At the bottom is a footer bar with a wavy line on the left and three horizontal lines on the right.

Education page for mobile (portrait)

A hand-drawn sketch of a mobile application page layout for education, oriented in portrait. The layout is enclosed in a rectangular border. At the top, there is a header bar containing a wavy line on the left and three horizontal lines on the right. Below the header, there is a large text area with a wavy line at the top, followed by seven horizontal lines for text entry. In the bottom right corner of the main content area, there is a 4x3 grid of cells. At the bottom left, there is a footer bar containing a wavy line and three horizontal lines.
